### **TERMS AND CONDITIONS OF ENROLLMENT**

Please read carefully: Our school operates as a Non-profit Ministry of WUMC, with fixed costs. Therefore, if your child is withdrawn for any reason after having been enrolled, you are liable for the full tuition, for the entire year, unless a replacement student is found. The school will attempt to secure such replacement, but cannot guarantee it. Refund will be made from the date of replacement. Parents will not be reimbursed due to Preschool closings, e.g. snow days, facility problems. Make-up days will be at the discretion of the Preschool Board of Directors. No refunds will be made because of absence due to quarantine regulations affecting your child and/or the group. Westwood Preschool reserves the right to terminate any child who does not adjust to our program or that the teacher and Director feel would be better served in another educational environment. Tuition will be pro-rated, and a refund made if this is applicable. We, the undersigned, agree to the above terms.
